## Ingredients:

1 box of white cake mix (with water, oil and eggs to make according to box)  
1 stick (1/2 c.) of salted butter (softened to room temp!)  
1 stick (1/2c.) of unsalted butter (softened to room temp!)  
1 1/2 cups of powdered sugar  
2 tsp almond extract

## Directions:

Make cake mix according to box and divide into mini muffin tins (approx. 48 mini cupcakes).

Bake at 350 degrees according to box.

Cool completely.

Place butters, sugar and flavoring in a large mixing bowl and beat on low until combined and then on high until light and whipped.

Pipe frosting on cooled cupcakes and decorate as desired.
