

Jeepers Creepers Oreo Pops

INGREDIENTS: (makes about 26-30 pops)

- One box of Oreo Double Stuff cookies
- 30 lollipop sticks
- 1 bag of Wilton's Candy Melts in black or purple (or both, if you want both colors!)
- Small amounts of Wilton's Candy Melts in other halloween colors (for the "eyes")
- Round sprinkles
- 30 Flipz white chocolate covered pretzels

DIRECTIONS:

- Make pretzel monsters first by laying all 30 Flipz out on a piece of parchment paper.
- Melt a small amount (maybe 1/3 cup) of any Candy Melt color for the eyes, and spoon into a small zip top bag.
- Zip bag closed and clip a corner off. Pipe color into top two holes of pretzel and gently set a sprinkle "iris" in place.
- Repeat with other colors and allow eyes to harden completely.
- For Oreo pops, carefully twist apart all of the Oreo cookies
- Using one of the lollipop sticks, make an indentation in the white filling of each cookie.
- Melt the about 1/4 of the black or purple Candy Melts in the microwave in 30 second increments, stirring until completely melted and smooth.
- Dip the end of one stick into the melted candy, drizzle a little in the center of the cookie filling and then gently press it into the indentation made.
- Place the top of the cookie back on and allow candy melts to harden (20 minutes or so), cementing the cookie back together with a stick inside. (Freeze for 5-10 minutes to speed this process up)
- Melt remaining black or purple Candy Melts in the same manner.
- Holding the stick, lower the entire Oreo into the bowl of melted Candy Melt, spooning it over the top and sides to cover it completely.
- Allow the excess to drain off and gently place covered Oreo on a piece of parchment paper.
- Immediately place a pretzel monster on top and allow the Oreo to harden completely.
