

Fish Pond Cupcakes

INGREDIENTS:

- One boxed chocolate cake mix (plus water, oil and eggs to make according to package)
- Two tubs of white frosting
- About 2 cups of green sugar crystals
- One bag of Goldfish Baby crackers (they are smaller than the original crackers)
- Green and blue food coloring gels

DIRECTIONS:

- Make cake mix according to package and bake in 24 cupcake liners set in a baking tin. Cool completely.
- Open one tub of frosting, spoon it into a bowl, heat it for about 15 seconds in the microwave to soften it a little and color it green with food color.
- Open the second tub of frosting spoon it into a bowl, heat it for about 15 seconds in the microwave to soften it a little and color it blue with food color. Spoon it into a zip-top bag and set aside.
- Pour green sugar into a small bowl.
- To assemble: Cut a pond-shaped circle hole into the top of each cupcake using a small knife and pull out the core.
- Dip the top of the cupcake into the green frosting and then into the green sugar, coating it completely.
- Cut a corner off the bag holding the blue frosting and pipe it into the pond opening on the top of the cupcake.
- Add a couple of goldfish and flower sprinkles if desired --and enjoy!!!
